GOAL FOR THIS STAGE

BUDGET CEILING

01 THE WHOLE PROJECT, NOT JUST THE PART

PART / TASK	PARTS	LABOR / EXTRAS	TOTAL	STATUS

Include tax, shipping, required hardware, installation, setup, and a contingency.

PLANNED TOTAL

COMMITTED SPEND

UNALLOCATED BUDGET

02 THE NEXT DECISION

What must be addressed before optional upgrades?

Which quote or compatibility question needs an answer next?

Planning aid only. Follow manufacturer guidance and qualified professional advice.

THE MAINTENANCE LOG

A clear history beats a folder full of mystery receipts.

02 RECORD THE ANSWER AND THE SOURCE

QUESTION / REQUIREMENT	ANSWER / CONDITION	SOURCE / DATE

UNRESOLVED ISSUE / WHO WILL CONFIRM IT

DECISION: RESEARCH / READY

Planning aid only. Follow manufacturer guidance and qualified professional advice.

THE TRACK-DAY PLAN

Event logistics and personal preparation. NOT a technical inspection form.

ORGANIZER / EVENT

DATE

VENUE / CHECK-IN TIME

CONTACT / REFERENCE

01 CONFIRM WITH THE ORGANIZER

- [ ] Current beginner eligibility and instruction arrangements
- [ ] Current event packet and technical inspection requirements
- [ ] Required clothing and accepted safety equipment standards
- [ ] Briefing, check-in documents, and schedule
- [ ] Vehicle assessment booked with a qualified professional

02 PACK AND PLAN

- [ ] Personal essentials, water, food, and weather protection
- [ ] Emergency contacts and event staff location
- [ ] Transport and recovery arrangements
- [ ] Insurance scope confirmed directly with insurer
- [ ] Budget for unexpected needs and the journey home
